Would you like to purchase a brick for the Spring 2018 Memory Walk Ceremony?

Memorial bricks are a meaningful way to remember residents of our community who are no longer with us. There will be a light reception in the Refectory Dining Room following the ceremony in the chapel. The money goes to the engraving of the brick, installation of the brick at the walk, and general maintenance of the Memory Walk area. A portion also benefits the Benevolent Care Fund.

The Spring Ceremony is scheduled for Thursday, April 5, 2018

The cost of a brick is $175.00

The last day to purchase a brick for the Spring Ceremony is Thursday, February 22, 2018
