

Over 1,200 Charlestown employees provide us with vital services 24-hours every day. Thanks to them, we are safe, secure, well-fed, fit and active, pleasantly occupied, and generally well-cared-for.

Charlestown Staff members work in every department in the community, and enrich our lives in ways that we may not even think about:

- ◆ Security and EMS
- ◆ Utility Workers
- ◆ Store Cashiers
- ◆ Line Cooks and Kitchen Staff

Some we see almost every day:

- ◆ Grounds
- ◆ Maintenance
- ◆ Drivers and Transportation Staff
- ◆ Servers in Dining Rooms
- ◆ Front Desk and Communications
- ◆ Housekeeping
- ◆ Wellness/Health Club/Pool
- ◆ Information

And others provide vital assistance, companionship, and care to those of us who need it most:

- ◆ Home Support Aides
- ◆ Care Associates in Assisted Living
- ◆ GNAs in Skilled Care

We all know how much we appreciate a little extra cash at this time of the year. Donating to the Staff Appreciation Fund will lift the spirits of approximately 900 hourly employees who will receive checks during the holiday season.

*Just think about this: while gifts of every amount are warmly welcomed, the very nominal contribution of one dollar a day by every Charlestown resident would result in a fund totaling approximately 3/4 of a million dollars!*

***The Staff Appreciation Committee, on behalf of the Residents' Council, thanks you for your generous support.***
