

MaCCRA Day in Annapolis

Tuesday, February 25, 2025

Pickup: 8am
(CTS Lobby Only)
Return: 2pm

Our Charlestown Day in Annapolis for the 2025 Maryland General Assembly Session approaches! This is a time for CCRC residents from all over the State of Maryland to get together and share experiences. Joining us this year will be members of the Charlestown Unit of the League of Women Voters Baltimore County.

This is a valuable time to hear from and talk to our legislators from all over the state. In addition, we are planning to meet with our own legislators from District 44A, Senator Charles Sydnor and Delegate Eric Ebersole, and the Delegates from our neighboring District 44 B, Aletheia McCaskill and Sheila Ruth.

Join us on the Charlestown bus to Annapolis on February 25th! The Residents' Council Legislative/Political Committee is covering the costs of the bus. We appreciate their support! After the bus ride to Annapolis, we will gather at the Calvert House where coffee and tea will be available. Also, a buffet lunch will be available. A \$10.00 donation is requested to cover the costs of the food.

We are now in the process of scheduling times for meetings with our legislators. If there is time, we also hope to take a quick tour of the State House. **Call Transportation Dispatch ext. 601-8448 to reserve your space on the bus.**
