THE HARMONIZERS

The Harmonizers Are Looking For A Few Good Singers

Every season, the Charlestown Harmonizers are looking for a few more good singers with some choral experience. The group is about 50 singers strong, and a few vacancies always occur from one season to the next. We always need a few more sopranos, altos, tenors, and basses.

As of this writing, we just finished our highly successful and applauded Holiday Concert in December, and we are looking forward to our next concert in June. We will start up Tuesday and Thursday afternoon rehearsals in early February. Between now and then, we hope to recruit a few more singers, and we will be holding auditions for singers new to us

in January. All voices are welcome.

Auditions will be held on **Friday, January 9 and Friday, January 16** between **10:00 a.m. and 2 p.m.** If you would like to join the group and take part in creating beautiful music together, please call Director Linda Burgard and make an appointment during these times. Her contact information is in the Resident Directory on the MyErickson web site and will be posted on hallway posters and on Channel 972, too.

JAZZ APPRECIATION CLUB

December Events

On December 10th the Charlestown Jazz Club once again hosted the free monthly concert in the Shortline featuring students from the UMBC jazz studies program. This time it was extra special because the students prepared a program of traditional Christmas songs with a jazzy twist. The four musicians accompanied a very talented vocalist, Charise Grant, who is graduating this semester with a degree in classical voice/opera. She plans to pursue further studies in Europe next year. The audience especially appreciated her ability to adapt her beautiful vocal skills to a totally different style of music.

In December club members also attended performances on the UMBC campus, learned about various styles of piano jazz at our monthly meeting and enjoyed fellowship and tasty treats at our annual holiday party in the Gallery. Resident and club member Herb Magidson provided wonderful piano music throughout the evening.

Looking Ahead

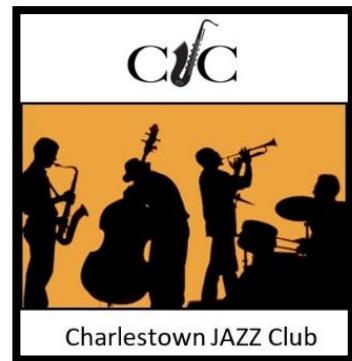

Looking to the future, the club has a very special evening planned for the entire Charlestown community. Mark your calendars for **Sunday, February 15th from 5:00 – 7:00 p.m. in the Refectory** for an opportunity to listen and dance to a 75-minute video recording of the music of the famed Buena Vista Social Club. This concert was originally recorded at the North Star Jazz Festival. It captures the heart and soul of the Cuban music played by these legendary performers. Stay tuned for more information to follow.
