ALONE: TALES FROM EDGAR ALLAN POE lures audiences into the uncanny and sinister literary universe created by this master of the macabre. Inhabiting a suitably gothic stage, actor Kuhn casts a disquieting and mesmerizing spell, bringing Poe's tales vividly to life. This masterful solo performer doesn't simply present these stories; he takes audiences on an immersive journey through the stories, a cathartic, emotional roller coaster ride through the depths of our very souls, courtesy of one of America's greatest writers
