

Our Lady of the Angels Catholic Community

October 2026

Dear Friends,

Our Lady of the Angels Parish has two restricted outreach funds that you may or may not know about. The first is The Our Lady of the Angels Scholarship Fund for Inner-City Catholic Education. This fund resides in the Catholic Family Foundation of the Archdiocese of Baltimore. This fund has been built up with rebates from Archdiocesan fund raising as well as individual donations over the past thirty years. It is valued at around \$350,000. We use the income from this fund to donate to Catholic school scholarship funds every year at the beginning of the school year. At the present time this income funds three \$5,000 scholarships every year for three Catholic schools, Sister's Academy in Linthicum, and both St. Frances and Mother Seton Academies in downtown Baltimore. We receive letters and pictures from the recipients of these scholarship funds, and you can see them on the bulletin board outside Pastoral Care. The other fund is the Regina Corbett Outreach Fund of Our Lady of the Angels Parish. Regina Corbett was a former resident of Charlestown and a member of OLOA. This fund resides in the endowment fund of St. Mary's Seminary because it was left to Our Lady of the Angels Chapel, which is owned by the seminary, for the use of the parish outreach programs. This fund is valued at 2,000,000 and currently yields around \$50,000 a year. This income funds three further \$5,000 scholarships for the three inner-city schools already mentioned, as well as a \$10,000 scholarship for The Mother Mary Lange School, which is also in downtown Baltimore. We also make a \$10,000 gift to the Charlestown Benevolent Care Fund. Yearly donations are also made to the retirement fund of the SSND Sisters, The Thomas More Project for Inner City Catholic Schools, St. Ann's Outreach Program, and The Oblate Sisters of Providence. All of this comes from the Regina Corbett Fund. These are the donations we make from just these two funds. A complete list of all parish outreach gifts will be in our annual financial report for the past fiscal year which will be in the bulletin shortly. I did want to let you know about the disbursements from these two restricted funds as well as acknowledge the generosity of past parishioners who established them. Have a blessed October and a happy Halloween.

Pastoral Care Office - Phone: 410-247-3400 ext. 601-8530 Information Line 410-247-4900
